We are proud to offer to you - in cooperation with the Norwich Study Centre (NSC) – this 1 week course to develop your Business English language skills

August 5 – 9, 2019
Norwich, U.K.

**Develop your professional skills
and work together to create a stronger, more vibrant future**

Professional Development in the UK (1-week course)

Our diverse and qualified teaching team are experienced in delivering English language courses for a variety of skill levels and subjects. Our teachers are CELTA qualified and many have Masters degree and Diplomas as well as many years of teaching in different countries and cultures around the world.

Business English Language Skills – 15 hours per week

You will have the opportunity to develop your English language skills and your confidence in using English in and out of the workplace. In this course, you will:

- ◆ Gain familiarity with words and expressions used to describe the structure and function of businesses and corporations
- ◆ Practise negotiation and problem-solving in English
- ◆ Improve your presentation skills
- ◆ Practise using the language needed when dealing with unexpected situations + emergencies
- ◆ Develop your English language skills through discussion

Our courses are made so that they can be tailored to you and your specific needs. If you have a clear idea of what topics you would like to study, please contact us and we will be happy to provide a course to suit you.

In addition to developing your English language skills, you will benefit from the opportunity to enhance your understanding of British culture through our cultural and social activities programme. This programme includes weekday activities such as:

- Norwich Castle Museum
- traditional cream tea
- the UK's best fish & chips

During the weekend, we also offer day trips to Cambridge, London and the Sandringham Estate (the private home of Queen Elizabeth II, based in Norfolk). If you would like more information about these activities, we are more than happy to create for your interests and requirements.

Homestay

As well as your course and activities programme, we also offer homestay accommodation for our students.

Option 1. Half-board homestay - you live with one of our carefully selected host families and they provide morning and evening meals for you.

Option 2. Self-catering homestay – a good choice if you would like some more independence. With this option, you live with one of our host families and you can use the kitchen and facilities to prepare your own meals.

Course Outline
